The Marine Biological Laboratory (MBL) is dedicated to scientific discovery and improving the human condition through research and education in biology, biomedicine, and environmental science. Founded in 1888 in Woods Hole, Massachusetts, the MBL is an independent, nonprofit corporation.

The MBL Associates are a group of individuals and businesses that support the scientific mission of the MBL through their gifts to the Annual Fund. The Associates sponsor educational and research programs for the MBL and raise funds for special projects. In addition, they operate the MBL Gift Shop, located on Water Street in Woods Hole, the profits from which support scientific fellowships.
